

Next Step Comic Book Celebration & Art Exhibition

LabCentral | Cambridge, MA

Thursday, March 12, 2026

4:30 PM – 7PM

Join Next Step for the first public exhibition of our two comic books, ***When Lightning Strikes***. Experience a vibrant gallery exhibition, an inspiring panel discussion, and the opportunity to connect with the creative minds behind the project. Enjoy delicious snacks and drinks while learning how teens living with sickle cell disease harness creativity and community to navigate the transition from pediatric to adult care. Plus, don't miss the chance to meet former Patriots Super Bowl champions Devin and Jason McCourty, who will be joining us at the event!
